June 2023

Bannockburn Golf Club's vision

'To provide a positive golfing experience with a country feel to our growing community'

The Clubs June General Committee meeting was delayed and held on Saturday 24th June, with the following highlights arising from the meeting.

Captains Information.

Greens Opening Day – 1st July 2023

Next Saturday will be an historic day for the Club and Members as this day we be our first round of golf on our new greens and the last round played on the Scrapes.

As the days play will be a shotgun start at 10.00am, Captain Max would like all players to be there by **9.30am** at the latest please. The cost for the day will be \$15.00 per player and will be followed with light afternoon tea and a raffle. A sausage sissle will be available throughout the day. The winners' trophies are been sponsored by life member Bill Hughes.

Online booking for Golf

The General Committee was presented with detailed options about several of online booking in systems for golf at our May meeting. These systems use your phone for scoring, works out competition results and handicapping automatically.

The Committee has now decided to introduce One Golf system over the next couple of months. This is a step most Golf Clubs are taking now and we need keep up with current technology. The One Golf System still allows for players to use cards if they wish. If you would like more details about how this system works, you can click on the following link. <https://www.youtube.com/watch?v=XegOZ0mbl2Q>

Greens Project

Work on the Back nine Greens is planned to start in the first week in July. This is 5 weeks earlier than we started work on the front nine last year and it hoped with weather permitting that the construction work and planting of the grass on these 9 Greens will be completed by Christmas.

General Committee Changes

Mick Brown has stepped down from his role as Vice-captain and Committee member due to his work and other commitments. We thank him for his work and generous support that he has made to the club during his time on the committee.

To help members with the introduction of One Golf system, Michael Jochum has agreed to step up into the Vice captain's role.

Final call

For the few Members who have not renewed their membership for 2023, this will be your final club newsletter and you handicap will be removed from our system. You will be required to pay green fees if you wish to play on the course from now on.

Happy golfing
